Thank you for your interest in SEGS. We hope you enjoyed our winter-spring and summer-fall newsletters and 2017 activities, including several meetings with technical presentations and field trips to:

- [Lake Wales Ridge Sand Pits, February 25, 2017](#)
- [SEGS-FAPG Virginia Key Deep Well, April 1, 2017](#)
- [Junction City Granite Quarry, June 17, 2017](#)
- [Barite Deposits in the Cartersville Mining District and Stone Mountain, November 4, 2017](#)

Planning is underway for our 2018 field trips. Please visit our website segs.org

The Southeastern Geological Society (SEGS) is a non-profit group of avocational and professional geologists dedicated to advancement of the geological sciences. Our Mission is to advance geosciences knowledge of our members and communities by encouraging professional and social relationships, and providing field trips and meetings with interactive technical presentations.
