THE SOUTHEASTERN GEOLOGICAL SOCIETY

**ADDITIONAL DETAILS REGARDING THE UPCOMING FIELD TRIP
and ANNUAL MEETING**

**RED LEVEL MINE AND AFFILIATED QUARRIES, CRYSTAL RIVER
AREA, FLORIDA**

Annual Meeting Friday 7 March 2014

Field Trip Saturday 8 March 2014

Additional
Details:

Dinner and Presentation: 6:00-8:00 PM Friday 7 March, Boat House Restaurant, 1935 SE 8th Avenue, Crystal River, Florida. We are very fortunate to have as our guests **David Tege**der and **Steven Noll**, professors in the History Department at the University of the Florida, and the co-authors of the book entitled "*Ditch of Dreams: The Cross Florida Barge Canal and the Struggle for Florida's Future*". Mr. Tegeder and Mr. Noll will give our group a presentation regarding their book following dinner. This should be quite informative and has a direct tie-in with the local geology. Please join us to welcome these gentlemen.

Field Trip: 8:00 AM - 4:30 PM, Saturday 8 March. Meet at the Holiday Inn Express hotel, which is located at 1203 NE 5th Street, Crystal River, Florida, at 7:45. We will depart the hotel parking lot for first tour stop at 8:15 AM, and return at approximately 4:30 PM. There are two liability waivers for this trip, one for the SEGS and the other for the quarry owner, Crystal River Quarries, Inc. (CRQI). The SEGS waiver form was attached to a previous email message; please submit to Harley Means along with your trip fees. The CRQI waiver will be passed out for signature and return the morning of the trip.
