Thank you for your interest in SEGS. We hope you enjoyed our newsletters and activities in 2018 and 2019, including several meetings with technical presentations and field trips to:

- [Karst Geomorphology of the Santa Fe and Ichetucknee River Basins, 22-24 February 2019](#)
- [Peace River Fossil Hunting, 23 November 2019](#)
- [Lake Wales Ridge, Fulgurites, 23 March 2019 and 24 March 2018](#)
- [Coastal and Environmental Geology of Southeast Florida, 14-15 December 2018](#)

Planning is underway for our 2020 field trips. Please visit our website [segs.org](http://segs.org) for current information.

**The Southeastern Geological Society (SEGS) is a non-profit group of avocational and professional geologists dedicated to advancement of the geological sciences. Our Mission is to advance geosciences knowledge of our members and communities by encouraging professional and social relationships, and providing field trips and meetings with interactive technical presentations.**
